[Redacted]

Dear Ms. Severin:

I have been advised by Steve Dorcely, Principal of Urban Action Academy, located in Brooklyn, within District 16, that probable cause has been found on the charges preferred against you. In addition, I have received a recommendation that you be suspended.

I have determined that the nature of the charges against you requires your immediate removal from your assigned duties. Therefore, in accordance with Education Law, Section 3020-a, I hereby suspend you with pay effective close of business February 10, 2017, pending the hearing and determination of the charges preferred against you.

You are to continue to report to your current assignment unless you receive notification of a new assignment from the Director of Employee Relations or the Office of Legal Services Deputy General Counsel.
